Just about to put together notes from our weekly call. I'll forward along with some high level summaries for quick digestion.

Thanks for keeping me in the loop. If you have a written product with status updates that you could share with me as an FYI, that would be great. Thanks, Wenona

Subject: Warm Springs, next SDWA update FYI

Hi Wenona, I wanted to let you know that Adam will be providing a 2nd monthly update of the drinking water orders to the Warm Springs Tribal Council on August 12th; we are not planning on attending the August 6th funders summit.

Adam or I will continue to keep you updated if there are any significant changes or events as we work with the tribe on the SDWA orders.

Thanks,

Peter
